## HEADER 2

At Triage, a medical staffing agency, we offer more than a career. Our travelers are family. From the hardworking medical recruiters in our office in Omaha, Nebraska to our network of traveling medical professionals working in hospitals, nursing homes and labs all over the United States, Triage Staffing is more than a paycheck and a per diem, it's a lifestyle.

Healthcare is one of the noblest professions in the world, it's also one of the most understaffed. It's our goal to change that by placing qualified medical professionals in travel assignments that allow flexibility alongside a plethora of **traveling healthcare jobs**. Did we mention the **full benefits**?
